ALL ABOUT MITSUBISHI LANCER EVOLUTION

Nr. 2 \_October 2000

15000. Since July 2000 (7000 visitors in more than 7500 visitors enjoyed myevo.com. We take care of your passion. Many interesting project are in the pipeline. Some of this is already reality.

To let you feel what essential driving means, myevo.com went to GTO /// Evolution in Neuchatel (Switzerland) and tried the Top Group N rally version of the Lancer Evolution VI. And more. Olivier GILLET, a Swiss rally driver who won the Challenge Prince Albert de Monaco at the 2000 Monte Carlo Rally drove the car for us in a unique way. Over 100 professional pictures had been shot, as a fantastic digital video.

Essential driving means not only Lancer Evolution. myevo.com started his test series with a comparative test between the Porsche Carrera 2 and the Lancer Evolution VI RS2. We drove more than 1500 km with both cars, to get in touch with his great personality. Feel the difference by reading our test in myevo.com.

myevo.com is working on the first **trackday** for Evo & other essential car drivers. Fast driving, bend & brake and *basic rally driving know-how* will be part of our program. On one day, you will get the most spectacular driving experience under the eyes of a rally driver as instructor. As the number of participants is limited, email us your name, address and type of car. We will send you the invitation.

In the near future myevo.com will offer a limited number of digital Video CD with our tests and rally car-driving experiences. This CD will transmit to your senses the incredible feeling we have staying behind the wheel of essential cars like the Mitsubishi Lancer Evolution, Subaru Impreza, Nissan Skyline, Porsche Carrera. You will hear the bang bang sound transforming your home in a special stage.

Getting the best in formations about upcoming essential cars like the Lancer Evolution VII, the Impreza STI 7, Nissan Skyline, Lotus, Porsches and more means a great work for us. myevo.com do it for you and for us, than we believe that the expression of our passion will help you to enjoy and think positive, independently of the car you drive or the country you are living in. We thank you for visiting myevo.com and wish you all the best!

Best regards.
